Intermediate in Computer Science period 2021 - 2023
instituation : Govt. Degree Science College

MATRICULATION :

Matriculation in Computer Science period 2021 - 2023
instituation : Govt. Degree Science College

SKILLS

Python

TypeScript

HTML 5

Tailwind CSS

Next.js

React

EXPERIENCE

I completed a two-year Governor Initiative for Artificial Intelligence, Web 3.0 and Metaverse, where I gained hands-on experience in modern web technologies. During this time, I worked extensively with HTML, CSS, JavaScript, TypeScript, Tailwind CSS, and Next.js, focusing on building dynamic and responsive web applications. One of my key projects was developing an E-commerce website using Next.js and Sanity CMS,
